Greetings to all our esteemed supporters, We present to you the sixth and most recent issue of "Yuva Shakthi," the quarterly newsletter published by the Victory Sports Foundation (VSF). We are deeply grateful for the unwavering support and commitment of our supporters, volunteers, and partners as we begin another year of serving the sports community.

At VSF, we firmly believe that sports can be a force for good in society. In this newsletter you'll read accounts of how our activities have helped kids win numerous competitions. We are also pleased to announce the inauguration of a career counselling programme for students studying sports, which was hailed by the athletic community as a ground breaking idea.

We are incredibly appreciative of your ongoing support as we work to fulfil our purpose of strengthening vulnerable communities through sports. Together, we can improve the lives of people in need and pave the way for a better future for our kids. We appreciate your contribution to the Victory Sports Foundation Family.

With warmest regards,
